Mandala Summer Camp

2017

Classes for Early Preschoolers Cocoons and Caterpillars

Little Performers

Budding Artists

Early Explorers

June 19-30, 2017

July 3-14, 2017

July 17-28, 2017

The children will have a lot of fun with their “expressive selves” in this session. They will have the chance to engage in puppet play, march in a marching band with musical instruments, lose themselves in music and movement, go on a “bear hunt,” dance to different tunes, learn new songs, and pretend with friends in dress-up costume play.

This session will be filled with multiple opportunities for hands-on creative expression. The children will paint to music, make sand art, paint a sidewalk mural with outdoor chalk and water, do feet painting, make pottery with clay, try bubble wrap painting, and explore painting with different mediums in many different ways.

This is a session for curious minds wanting to explore. The children will pretend to be “jungle explorers” and “ice block detectives.” They will enjoy activities for sink & float, solids & liquids, cars & ramps, magnet play, color mixing & changing, and making giant bubbles. They will even make their very own ice cream and popsicles.

During the day, the children will also have plenty of opportunity to work with the Montessori materials during free work time, guided by our Montessori-trained teachers.

2 Week Sessions · 2 or 3-day classes

Cocoons T/TH 9:00–12:00 - 3 hours · Caterpillars MWF 9:00–12:00 - 3 hours

PRICES AVAILABLE FOR ALL CLASSES ON SUMMER REGISTRATION FORM

Mandala Summer Camp • 2017

New Classes for Preschoolers!
Bumblebees and Fireflies

Music, Dance, and Drama

June 19-30, 2017

The children will have a lot of fun with their “expressive selves” in this session. They will create skits, learn dances, and enjoy making music with their own musical instruments. They will also be exposed to classical music pieces. They will practice and perform The Three Piggy Opera and end with a performance.

Art for Amateurs

July 3-14, 2017

This session will be filled with opportunities for hands-on creative expression. The children will not only make their own art through many different media (clay, 3-D art, paint, etc.), but they will also look at art from well-known artists, such as The Great Masters. We will end with an “Art and Juice Festival” for all to enjoy.

Science & Inventions

July 17-28, 2017

This is a session for curious minds. The children will make rocket ships and design a roller coaster. They will have the opportunity to do science experiments and figure out answers to some big questions. At the end of the session, they will be able to display some of their work at their very own Science Fair.

During the day, the children will also have the opportunity to work with the Montessori materials in our math, language, sensorial, and practical life areas, guided by our Montessori-trained teachers.

2 Week Sessions • 2, 3, or 5-day classes

Bumblebees 9:00-12:00 - 3 hours • Fireflies 9:00-2:30 - 5½ hours
