

Mandala Children's House

Peanut Policy

***Please notify us if your child has an allergy to peanuts.**

1. **Snack:** We make every effort to eliminate peanuts from our snack time.
2. We ask that parents send peanut-free snacks, and we make every effort to carefully monitor classroom snacks to make sure that they do not contain peanuts or nuts.
3. If your child has an allergy to peanuts, you have the option to send your own snack for your child.
4. **Lunch:** We have a peanut-free table for those children with allergies to peanuts. The table will be thoroughly cleaned immediately after use.
5. Parent-provided lunches will be allowed to have peanuts or nut tree products.
6. Mandala has a "no food sharing" policy at lunch time.
