

Mandala Children's House

# Squiggles and Wiggles

## Sensory Play and Self-Regulation Class

**Does your child need to learn how to slow down his "motor"?**

**Have difficulty with focus and attention?**

**Seek a lot of movement and contact?**

**Avoid some kinds of sounds or too much stimulation?**

A sensory-motor enrichment class with our occupational therapist can help build self-regulation and brain skills in a fun and engaging way!
